- Mr. Faircloth inquired to Mr. Jackson the reason a warning letter was not sent first giving the District time to take care of the violation. Mr. Jackson stated the City approached the issue legitimately.
   There is no evidence of work being completed by the City at the lake.
  - The Board requested Mr. Faircloth respond to the City regarding back up for the City's invoice.

#### **B.** Property Maps Discussion

- The property description issue was discussed.
- The first option was for a boundary line agreement, which involved a real estate attorney and surveyors, which was drafted with five parties: the CDD, the Golf Course, Bobcat Villas HOA, Peninsula Property Holdings and Neptune 1 LLC. The last two parties were uncooperative with regards to providing information.
- The Board, at the time, was against option two, which was to provide a Quiet Title Action, due to the cost.
- Peninsula Property Holdings conveyed the northern and southern portion of the property to Bobcat Villas HOA.
- It appears the CDD owns a 2.66-acre strip, which was purchased through a Tax Certificate.
- Mr. Jackson noted that based on this information, only three parties need to be part of a Boundary Line Agreement, the CDD, Golf Course and Bobcat Villas HOA.
- Mr. Jackson suggested a surveyor may file an affidavit to correct the plat.
- Mr. Jackson does not recommend the third option which would be a re-plat, as it would be a major undertaking. Mr. Jackson will continue working with others to research and resolve the issues.

#### A. Golf Course Update (Continued)

- The monument work for which Cloud 10 was responsible, has not been done. Therefore, the District will take over.
- LMP needs to provide a specific invoice describing the work done in those areas.

  Mr. Brall indicated he had an email from them stating the annual cost to maintain the area. Mr. Jackson requested they provide an invoice to Mr. Faircloth. There

### **Board Workshop Meeting Minutes: August 1, 2023, 2023**

- 1. Call to Order: The meeting was called to order by Bob Etherton at 3:00 pm
- **2. Roll Call:** Present were Dick Burke, Jeff Brall, Paul Fisher and Janet Guyer Bob Etherton was absent.
- **3. Approval of Agenda:** The agenda was approved, with the addition of 5.F, Shared expenses for irrigation costs.
- 4. Public Comment: none

### 5. Old Business:

- **A**. 2024 Budget Final Review Paul reported that there are no changes to the budget. He went on to discuss the letter that Inframark had sent out with incorrect information. The increase to the assessments for the 2023/2024 budget is \$164.10. A corrected notice will be issued by Inframark, at their expense.
- **B.** Sidewalk Repair Update The contractor had issues getting concrete. He is supposed to finish this week. Jeff identified some areas where the sidewalk on each side of the frames has been broken.
- **C**. Landscape Update Still work in progress. Making bed smaller by Palmetto and Bobcat; putting additional plants and sod are coming soon.
- **D.** Maintenance Repair update Lights/signs Nostalgic Lamppost is creating a prototype of the name street signs; Tamiami Painting will get us a quote to repair and paint the monuments at the entrance on both sides of Toledo Blade once they find a source to get the product needed to make the repair; Kennedy Electric was here to check why we're having landscape lighting issues. They will replace the wiring along the center strip on Bobcat; 2 of the 4 new lights on the commercial side are not working. Kennedy will need to get an excavator to make the repairs; when Solitude was here for the lake maintenance, Dick asked if they would cut the drainage ditch, the machine broke, and they didn't get it cut. Janet will contact them to get a price for that work.
- E. Insurance Review Update Dave Filler identified cameras that need to be added to our insurance policy along with the street signs, light poles, speed limit and stop sign which will be included; he also did some research regarding the times the gates have been hit and the costs we have recovered. He plans to get with the NPPD to help get insurance companies to pay when the individual doesn't. Dave also found issues with the Envera cameras. Suggested that we

consider possibly going out for bid to replace them. And add performance penalties in the contract to incentivize vendors; he discovered a leak in the AC unit at the gatehouse. Bob Ditterline will be asked to investigate.

In Dave's work in the office, the maps should be reviewed and those needed should be digitized and stored at Inframark, our records management system.

Jeff gave a big thank you to Dave Filler for all the work he has done on several projects throughout the community but especially the insurance reviews.

F. Shared Irrigation Costs – Paul is suggesting a 50/50 split between the CDD and Fairway Commons for any costs going forward. He will add to the consent agenda for the August 17th meeting.

### 6. New Business

No New Business

### 7. Resident Concerns

Sidewalk issues

Letter regarding the assessment

### 8. Supervisors Comments and updates

Dick discussed the Disaster Preparedness Meeting, members include Mike San Antonio, Dick Burke, Lou Sperduto, Dave Filler, Larry Santucci and Bob Duemmel. They are concerned with developing communication lines to get the message out to everyone quickly, possibly using block captains to help.

### **Public Comments**

Need to keep maps on site but digital copies can be off site.

Communication is essential. Send emails letting residents know that a revised letter is forthcoming.

The water fountain is only working sporadically. Dick will have Bob take a look.

It took 3 emails to Justin to get a response.

Need to consider changing management companies and also the attorney.

### **10. Adjournment:** The meeting was adjourned at 4:05pm

### LANDSCAPE COMMITTEE BCT CDD MONTHLY MINUTES MEETING DATE: 6/8/23

- 1. Call to Order: 3:00 pm
- 2. Roll Call: Jeff Brall, Laura Filler, Scott Verrill (also LMP's Bill Gipp, Chris Berry, Sergio Rojas, Jonathan Lopez. and 6-8 residents)
- 3. Approval/Adoption of Agenda
- \*\* added: 6.h. irrigation issues, 6.i. new sod, 6.j. removal of dead tree behind Royal Palm, 7.c. Landscape Lighting, 7.d. Palmetto Palm broken sidewalk, 7.e. bed at Palmetto and Blvd.
- \*\*\*\* Amended agenda approved unanimously (motion Jeff. B., second Laura F.)
- 4. Public Comment: none
- 5. Reading/Approval of 5/11//23 Minutes
- \*. approved unanimously by Jeff B. and Scott V. (only two members present at 5/11/23 meeting and attending today)

### 6. New Business:

- a. 2023 budget -- reviewed Landscape expenditures as current on web site
- b. 2024 budget -- Scott V. passed out comparison of 2023 budget and proposed 2024 budget
- c. Queen Palm monument -- resident reported leaning palm; motion by Laura F., second by Jeff B., unanimous vote to leave as is
- d. Blvd. sidewalk segments damaged by oak roots -- consensus is to have the sidewalk crew replacing these segments to determine if roots need to be cut; do so as needed (oaks primarily on golf course land)
  - e. Contract renewal process and areas to consider:
- \* Laura F. stressed need of additional bed weeding (especially during wet months); consensus to leave at 21 times in contract, but LMP needs to better monitor and control
- \* discussed annual flower plantings -- LMP to use same annuals as at Lakeside; put flowers in the bull nose
- \* discussed palm pruning to be contracted (213 218 range)-- do medjools behind front monument walls (but to be charged to golf course); prune Commercial Washingtonians only once a year; do not do Club House palms
  - \* Bill G. to present a 1 year extension proposal with revised cost
  - \*\*\* palm pruning is schedule for 6/20 and 6/21 this year
- f. 4 dead monument palms (2 Palmetto, 1 Bailey, and 1 Lady Palm) have been removed; pruning of all contracted palms -- as discussed above 6/20 and 6/21
  - \* cat palms have been installed
  - g. Installation Follow-up discussion -- Laura F. stressed process is not complete
- \* # of plants/palms/trees not in correct location; # of missing plants; did not follow plan (Laura out of town during installation)
- \* Laura F. will complete assessment; then meet & review with Sergio; discussed holding back partial payment; LMP stressed they will

make it right (very stressful installation time period due to delayed delivery and magnitude); fully intend to meet expectations

- h. irrigation issue
  - \* low pressure Toledo to Silver/Royal; major issue with new plantings; checking supplying well
- \*\*\* but problem may be main line break along Toledo sidewalk heading towards Woodhaven (all unaware that we have irrigation there), probably line discontinued years ago; will need to cap it off
- i. new sod -- areas sprayed to kill weeds where new sod will go; stressed heads-up awareness and paint spray of targeted areas would have prevented many concerns; noted several areas sprayed/killed along Blvd. that are Fairway Commons homeowner responsibility; LMP will sod
- j. dead pine behind Royal -- Jeff. B. (Supervisor with Landscape responsibilities) stressed tree removed without his being notified so as to finalize what could be done without trespassing; Bd. had approved an amount, but whether just to top or totally remove dependent on access (no CDD access apparent without going across private property); LMP stated neighbor had given permission -- unknow extent of damage to any lawn areas or possibly irrigation

#### 7. New Business:

- a. Green Space adjacent to 6th. tee box
- \* discussed; Jeff B. per CDD to check on irrigation methods; discussed with LMP; LMP to assess whether irrigation line can be extended to this area, or need to go underneath the road; consensus not to pursue similar situation along Palmetto without more direction
  - b. discussed LMP's Disaster Recovery Form (and impact on services during major weather disruptions
- c. landscape lighting along Blvd. medians -- Scott V. discussed efforts to date by South Florida Landscape Lighting; still no landscape light power in medians between Phoenix and G.C. maintenance drive:
  - d. broken sidewalk on Palmetto (Chair forgot to bring it up!)
- e. bed at Palmetto and Blvd. -- Chair explained that even though sent as a request to the Landscape Committee, CDD Board on 6/6 bypassed the Committee with a decision to rely on County Assessor maps rather than current CDD maps and a recorded map in 1998. Recognized that part of bed may likely be on homeowners' property. Jeff B. will follow through as Supervisor with Landscape responsibilities.

#### 8. Public Comments:

- \* resident Larry Santucci expressed concerns of mowing patterns in curb side lawn areas; LMP will follow-up
  - \* misc. comments by other residents as well.
- 9. Adjournment -- At 4:47 pm, motion by Scott V., second by Laura F., unanimous vote to adjourn

#### **Budget Narrative**

Fiscal Year 2024

#### **REVENUES**

#### Interest-Investments

**BOBCAT TRAIL** 

The District earns interest income on their trust accounts with US Bank.

#### Special Assessments-Tax Collector

The District will levy a Non-Ad Valorem assessment on all the assessable property within the District to pay for the debt service expenditures during the Fiscal Year.

#### **Special Assessments-Discounts**

Per Section 197.162, Florida Statutes, discounts are allowed for early payment of assessments. The budgeted amount for the fiscal year is calculated at 4% of the anticipated Non-Ad Valorem assessments.

#### **EXPENDITURES**

#### **Administrative**

#### **Miscellaneous-Assessment Collection Cost**

The District reimburses the Sarasota County Tax Collector for her or his necessary administrative costs. Per the Florida Statutes, administrative costs shall include, but not be limited to, those costs associated with personnel, forms, supplies, data processing, computer equipment, postage, and programming. The District also compensates the Tax Collector for the actual cost of collection or 1.5% on the amount of special assessments collected and remitted, whichever is greater. The budget for collection costs was based on a maximum of 1.5% of the anticipated assessment collections.

#### **Debt Service**

#### **Principal Debt Retirement**

This represents principal payments due within the current year for the series 1999 recreational revenue bond. This expense is split with the golf.

#### Interest Expense

This represents interest payments due within the current year for the series 1999 recreational revenue bond. This expense is split with the golf.

Note: Without sufficient revenues to cover operating expenses the district is without means to make the required principal and interest payments. The budget reflects that the debt service payments would have to be made using a portion of prior year's fund balance. Since the prior year's enterprise fund balance is negative, there are no funds from the prior year available to use.

WHEREAS, at least sixty (60) days prior to the adoption of the Proposed Budget and any proposed long-term financial plan or program of the District for future operations, the District did file a copy of the Proposed Budget with the general purpose local governing authorities having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), Florida Statutes; and

WHEREAS, on May 18, 2023, the Board set August 17, 2023, as the date for a Public Hearing on the Budget adoption and caused notice of such Public Hearing to be given by publication pursuant to Section 190.008(2)(a) Florida Statutes; and

WHEREAS, on August 17, 2023, the Board continued said Public Hearing to September 5, 2023; and

WHEREAS, the Board of Supervisors of the Bobcat Trail Community Development District finds and determines the non-ad valorem special assessments it imposes and levies by this Resolution for maintenance on the parcels of property involved will constitute a mechanism by which the property owners lawfully and validly will reimburse the District for those certain special and peculiar benefits the District has determined are received by, and flow to, the parcels of property from the systems, facilities and services being provided, and that the special and peculiar benefits are apportioned in a manner which is fair and reasonable in accordance with applicable assessment methodology and related case law; and

WHEREAS, the proceeds from the collections of these imposed and levied non-ad valorem assessments shall be paid to the Bobcat Trail Community Development District; and

WHEREAS, if the Property Appraiser and the Tax Collector have adopted a different technological procedure for certifying and merging the rolls, that procedure must be worked out and negotiated with Board approval through the auspices of the District Manager before there are any deviations from the provisions of Section 197.3632, Florida Statutes, and Rule 12D-18, Florida Administrative Code.

WHEREAS, the District is located in Sarasota County, Florida ("County"); and

**WHEREAS,** the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors ("Board") of the District hereby determines to undertake various operations and maintenance and other activities described in the District's budget ("Adopted Budget") for the fiscal year beginning October 1, 2023, and ending September 30, 2024 ("Fiscal Year 2023/2024"), attached hereto as Exhibit "A" and incorporated by reference herein; and

**SECTION 2. That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. #### **Management Summary**

- On 7/17 Solitude began the treatment plan for the overgrowth of invasive weeds in all designated littoral shelves. The littoral crew began spot treating any shelves with beneficial plants. Results of the treatment were not observed during this inspection since results take approximately one week before they are visible. A follow up inspection will be conducted in August to determine which areas require additional treatment. On 7/19 the truxor was utilized to begin trimming on lake 7.

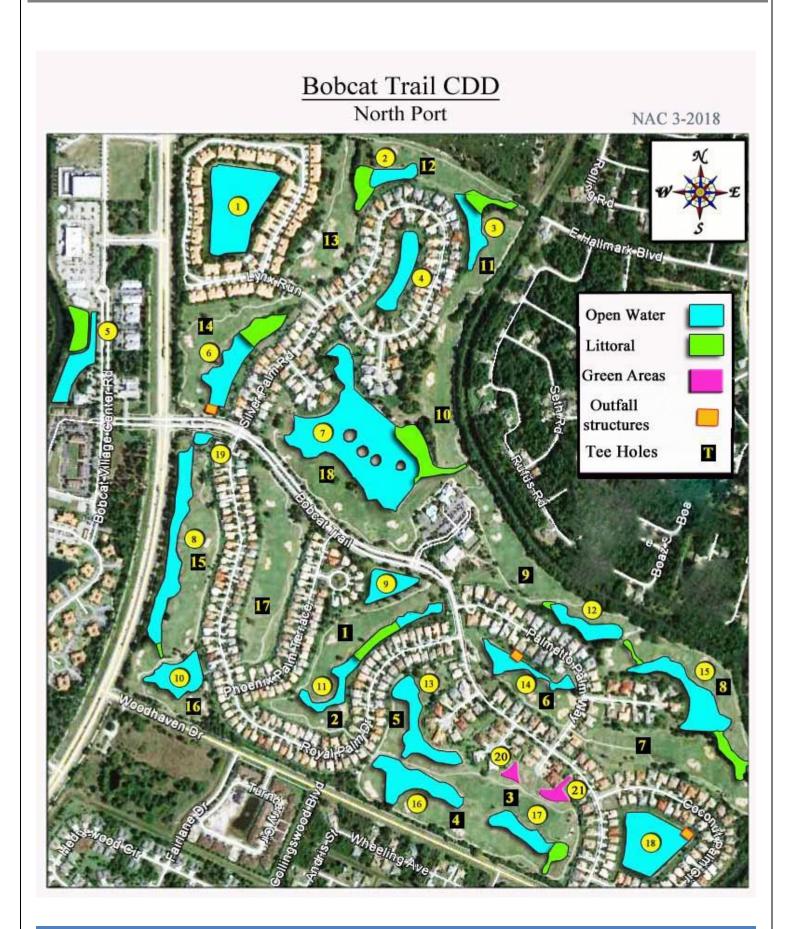

Solitude will be utilizing the truxor to mechanically remove vegetation in areas that contain only invasive species. Those areas that have beneficial littoral plants remaining will be treated by our specialized four-man littoral crew to prevent damage and promote their growth.

- #2 The littoral shelf has no littorals but is wet and can be trimmed by the truxor.
- #3 The littoral shelf has minimal littoral and can be trimmed using the truxor.
- #5 The shelf is a preserve with willow, palms, and other tall conifers and evergreens. The preserve crew is suggested for quarterly treatments.
- #6 The littoral shelf has no littorals but is wet in the center and dry on the perimeter and can be trimmed by the truxor.
- #7 The southern section of the littoral shelf has littorals, which will be treated by the littoral crew to specifically target invasives. The north section can be trimmed using the truxor.
- #11 The shelf is wet and should be treated. Trimming back the bulrush is recommended if desired.
- #12 Requires routine maintenance.
- #17 The littoral shelf has no littorals but is wet in the center and dry on the perimeter and can be trimmed by the truxor.
- #15 The littoral shelf has tall willows and palm trees throughout, with a small section on the northern side with minimum littorals. The small section can be treated with the littoral crew.
- Minimal algae and aquatic vegetation noted overall.

#### Action Items:

- Upcoming treatments will focus on maintenance of the overgrown littoral shelves.
- Most lakes exhibit erosion in areas, the erosion is consistent with flow from gutter/downspouts.
- \*\* The service department has been notified of all observations.
